We suggest you prepare a detailed itinerary in advance for your guests on how the day will go and where the sites are for each event, and have them available when they check in. This will prevent confusion and will allow an easy flow for you and your guests.
- Guests start to arrive and check in by 1:00 pm. They are free to enjoy the property until the wedding starts. (our decks at the Remington House are wonderful places to visit and enjoy the wonderful surroundings).
- We assist in assuring your outside vendors such as photographer, florist, musicians/DJ, marriage commissioner, etc. are directed properly when they arrive at the property, however we do suggest you have a complete itinerary and organizational system for your vendors available for them as well to assure they know what to do and where to do it. (This is not the responsibility of The Crossing Staff.)

3:30-4:00 Ceremony at a location of your choice or outside (weather permitting) at a preplanned site
